NARRATIVE

On 01/14/2015 at about 1200 hours (all times approximate) I was dispatched by police radio to a multiple vehicle collision with an injury in the 7700 block of SR 204 in the city of Lake Stevens. Arriving on scene I found the collision scene had blocked the single westbound lane of SR 204. I had to close one of the two eastbound lanes of traffic on SR 204. We also had to close westbound SR 204 at Market Place while the collision scene was cleared.

Based on evidence and statements at the scene it is found that westbound vehicle traffic on SR 204 was slowing/stopping due to a vehicle collision that had occurred in the westbound lanes on the Highway 2 Trestle. There was also a third collision in the vehicle back up from this vehicle collision. The driver of U1 stated he had been following a vehicle and that the vehicle he had been following quickly swerved around a large flatbed truck (U2-a flatbed truck with a GVW of 26,000). The driver of U1 stated he was unable to stop and ran into the back of U2. The collision force from U1 into the back of U2 caused U2 to rear end U3 (causing extensive damage). The collision force from U2 into the back of U3 caused U3 to rear end U4 (causing extensive damage to the front of U3). The driver of U2 was transported from the scene by aid car to the hospital with possible neck/back injury.

Units U1, U2 and U3 were removed from the scene by Top Notch Towing. U4 was driven from the scene.

After all vehicles had been removed from the scene and the scene had been cleaned up I cleared the incident around 1327 hours.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

There was an abrupt stop and the Big rig behind me was slowed down enough but he was rear-ended by a pickup which caused him to rear end me which caused me to rear-end another pickup. My car had the most damage but I was not injured at all.
